We would like to provide you with a fantastic opportunity to work for a global leader in the way the organisation invests in its people. Our people are so important to us at [Riversway Nursing Home](#), and as such, when you join our team, you will be provided and supported with excellent resources and development opportunities to progress your career in care. In addition to ways in which you can enhance your career, we have also established a nursing pathway to equip you with the skills and education necessary, to aspire to be a Registered Nurse.

Riversway Nursing Home is part of the successful [Springhill Care Group](#) and prides itself on fulfilling its vision, mission and is guided by its core values. We offer a fabulous health and wellbeing initiative, competitive rewards and recognition, enviable development opportunities and finally we promote a rewarding career with succession planning being the main focus in a person centred environment.

We are currently seeking experienced Health Care Assistants (days) to join our award winning Home who will show warmth and support to our residents, build meaningful relationships and provide assistance with activities of daily living. You will be responsible for providing residents with both physical and emotional wellbeing and personal care as needed as directed by and under the supervision of the nursing staff or senior carer.

You will be expected to cover a variety of day shifts including weekends and bank holidays and ideally possess a QCF Level 2 in Health and Social Care. We will expect you to have at least one years' experience of working in a care related environment in the last two years and have a genuine interest in people's welfare and caring attitude.

If you have the relevant experience and are interested in permanent work, working for an award winning company, for an application pack please contact Debra Crowley
